Dear HOBY Ambassador,

I hope that your outstanding HOBY Leadership Seminar has motivated you to become even more active in your school and community. You have demonstrated an ability to lead and positively influence others. Most importantly, I think you have learned a lot about yourself and how to become a successful leader in your community.

The following pages are filled with more opportunities to get involved with HOBY on a local, national, and international level:

- Join a HOBY Alumni Chapter
- Meet us in Chicago at the World Leadership Congress (WLC) July 20–27, 2019
- Follow HOBY on social media for exclusive opportunities and scholarships
- Take on our 100-hour Leadership for Service Challenge

It's up to you to make it happen! To motivate you to accomplish your goals, sign the enclosed "Passport to the Future" and post it as a reminder of your commitment to your community.

Don't forget to tell your friends and family about your HOBY experience. Also, share with your school principal and guidance counselor how your HOBY experience will make you a better leader in your school and community. Finally, make sure your school sends another sophomore student to next year's seminar and offer to help with the selection process!

The future is yours, and HOBY is very proud to have touched your life along the way.

HOBY hugs!

# PASSPORT TO THE FUTURE

*"I believe every person is created as the steward of his or her own destiny with great power for a specific purpose: to share with others, through service, a reverence for life in a spirit of love."  
- Hugh O'Brian, HOBY Founder (1925-2016)*

From this point forward, I will be the steward of my own destiny.  
I acknowledge that I can and will make a difference.

## I will:

- Continue to grow and think for myself.
- Use my unique potential as a force for good in shaping a world at peace.
- Be responsible for an informed opinion.
- Share with others a reverence for life in a spirit of love.
- Complete 100+ hours of volunteer service to give back to my community.

# HOBY'S PATHWAY TO LEADERSHIP

## COMMUNITY LEADERSHIP WORKSHOPS

Community Leadership Workshops (CLeW) are HOBY's introductory one-day program for high school freshmen. A typical CLeW is six to eight hours long, with 30-40 freshmen participants, and focuses on leadership as a discipline to be explored and learned. HOBY CLeW students interact with local community leaders, participate in group activities, and conduct community service projects. CLeWs are organized, developed, and implemented by HOBY alumni and volunteers, local business leaders and civic groups, and are free to attend.

## STATE LEADERSHIP SEMINARS

HOBY's flagship program allows high school sophomores to realize their leadership talents and apply them in becoming effective, ethical leaders in their home, school, workplace and community. Students attend three- or four-day seminars and participate in hands-on leadership activities, meet leaders in their state, and explore their own personal leadership skills while learning how to make a positive impact in their community. The seminar curriculum is based on the Social Change Model of Leadership and develops leadership from three perspectives: Personal Leadership, Group Leadership, and Leadership for Society.

## WORLD LEADERSHIP CONGRESS

Since 1968, HOBY's World Leadership Congress (WLC) has been bringing students together from across the globe to discover their potential as leaders. Upon completing a Leadership Seminar, U.S. high school rising juniors and seniors have the opportunity to advance to HOBY's next level of leadership. Each year, over 400 students representing as many as 20 countries attend this unique week-long international program comprised of keynote presentations, speakers' panels, interactive workshops, field trips, and community service projects. Students emerge from the WLC as more mature individuals, cognizant of the world around them, and ready to make meaningful contributions to society.

## AMBASSADORS CONNECT

Ambassadors Connect, HOBY's alumni network, is comprised of thousands of alumni who have successfully completed the pathway to leadership. HOBY offers ambassadors many outlets for involvement after completing their HOBY program. Ambassadors may volunteer at HOBY programs, join their local Alumni Association, participate in HOBY's Cushman & Wakefield mentorship program that includes hands on experiences in all aspects of business and possibilities for internships, or join HOBY partner service organizations like Phi Sigma Pi and the Junior Chamber International (JCI) during and after college. Ambassadors Connect offers many opportunities for new connections, growth and continued leadership development.
